This year's theme is so appropriate to our “Year of Faith” and the call for a “New Evangelization” - a call that reaches out to every serious Catholic. We all need to come ever more alive to Christ and should desire to share him with others more effectively. So in this short seminar, we want to consider how each one of us can do this more naturally and fruitfully.

July 10: Session One - “the Basics”

July 17: Session Two - “What’s New about the New Evangelization”

July 24: Session Three - “Sharing Your Faith Naturally” - part 1

July 31: Session Four - “Sharing Your Faith Naturally” - part 2

Like all of our summer “Journeyman Programs”, this study is intended to give a broad but practical understanding.
